Claim Form for Replacing Electronically Stolen Benefits

Claim form for Replacing Electronically Stolen Benefits

Notice: As of September 30, 2025, New York State has stopped accepting all benefit replacement claims for SNAP. This does not affect replacement claims for Cash Assistance

You can use this form to request the replacement of CA benefits which were stolen electronically through skimming, phishing, or other similar fraudulent methods. Please see detailed instructions for completing the form.

To submit a claim, you must provide specific information about the fraudulent transactions. You can find this information by:

- Checking your EBT history online or by downloading the ebtEDGE mobile app (available for download in the Apple App Store and Google Play Store). Or
- Calling the toll-free EBT Customer Service line at 888-328-6399.

Please note, if you have been skimmed and have not reported your EBT card lost or stolen, your account is likely still at risk. No replacement benefits may be issued until you have reported your compromised EBT card lost or stolen. To report your card stolen, request a new card, and change your PIN, please call EBT Customer Service at 888-328-6399, or go to <https://www.ebtedge.com/>.
